I. Club Sports Financial Policy

1. Club Sport Admittance

Club Sports must be open to all Stevens Institute of Technology students. Membership in any club sport must be free from discrimination based on age, ancestry, color, disability, national origin, race, religious creed, sex, sexual orientation, or veteran status.

2. Budget Determination

All club sports must submit a budget to the Campus Recreation Office via email. Each semester, the Vice President of Finance will communicate the timing of budget requests to the Department of Campus Recreation, which will communicate the timelines with all club sports officers. Deadlines and information will be sent out with adequate time to allow for submission by each club sport. All budgets submitted after the predefined deadline will not be accepted.

The Vice President of Finance shall propose and allocate a pre-determined budget to all club sports. The amount will be determined semesterly and will be based on a multitude of factors, including but not limited to prior club sports enrollment, overall SGA budgeting status, inflation, etc. The proposed amount will become final upon an affirmative budget committee vote. After meeting with all Club Sport e-boards, the Campus Recreation Office will submit all Club Sports budget requests via email to the Vice President of Finance. If the total amount requested by club sports exceeds the pre-determined budget, a percentage budget cut will be applied proportionally to each organization.

With assistance from the Campus Recreation Office, the SGA will email each Club Sport's treasurer with the final approved semesterly SGA-funded portion of their budget by December 15th and May 15th, respectively. If a Club Sport would like to appeal the SGA's decision, please refer to the instructions in the next section.

3. Budgetary appeals

A Club Sport may appeal the amount allocated in its SGA-funded portion of its budget. An appeal must be emailed within seven days of receiving their final approved semesterly budget. In that case, the following process must be followed:

- a. Submit a formal letter requesting an appeal to the Vice President of Finance with the following criteria:
 - i. The budgetary item they wish to appeal
 - ii. Justification for the appeal
- b. Upon approval by the Vice President of Finance, the appeal shall be placed on the docket for the next session of the Budget Committee, and the Club Sport will be notified to attend.
 - i. If the appeal proceeds to a Budget Committee session, the Club Sport must abide by the request process determined in Addendum E.
- c. The decision of the Budget Committee shall be final.
 - i. Upon the approval of an appeal, the Budget Committee and Vice President of Finance shall notify the Assistant Director of Campus Recreation for Club Sports and the Director of Campus Recreation of the change.

4. Club Sport Financial Responsibilities

Club Sports must pay all debts accumulated over the semester using their allocated budget. If a Club Sports overspends its allocated budget, disciplinary action may result.

5. Approved Spending

SGA funds may only be used by the Club Sport to which it was allotted. Funds allotted to an organization must only be spent on items specified at the request time. Club Sport spending is audited randomly. The Director of Campus Recreation for Club Sports and the Assistant Director of Campus Recreation shall have the power to reallocate funds between club sports as needed. A club sport shall also have the right to appeal a reallocation decision through the means described in Section 3. Budgetary Appeals'.

6. Reallocation of Funds

Suppose a club sport wishes to reallocate SGA funds (including, but not limited to, money that will not be spent on an allocated item, money that was not spent on an allocated item, and money for events that have been canceled) for use towards another event/purchase during the same semester. In that case, they may formally ask the Assistant Director of Campus Recreation for Club Sports and the Director of Campus Recreation to submit. Organizations must only spend money on approved items after receiving direct approval from those specified above or the SGA.

7. Leftover Funding

All amounts remaining in Club Sports budgets at the end of the semester will roll over into individual club team budgets for the next semester. However, if club sports consistently end the semester with a surplus, they should expect a cut to their SGA-funded budget portion.

8. Outside Accounts

No club sport is permitted to have any accounts outside of the management of the University. All finances of a club sport must be held in at least one internal Stevens account with Department of Athletics oversight.

9. Charitable Causes/Donations, Fundraising and Loans

Under no circumstance may SGA funds be donated directly to any outside source. Philanthropic events held by SOs may receive SGA funding for event costs, provided event participation does not require a donation to the target philanthropy. Fundraising or soliciting donations must receive prior approval from the Director of Campus Recreation. The Director of Athletics must also approve any marketable materials for fundraising purposes before ordering. All funds raised through approved fundraisers and solicitations will be deposited into the club account and spent with the approval of the Director of Campus Recreation.

10. Disbursement of Funded Items

No funding by SGA nor items purchased from SGA-provided funds should be distributed to anyone not classified as an active Stevens Undergraduate Student.

11. Recognition and Awards

The SGA will not fund meals for recognition, including, but not limited to, award dinners or ceremonies. Additionally, the SGA will not fund individual recognitions, including but not limited to graduation cords, individual plaques, certificates, trophies, etc.

12. Formals

The SGA will not fund club sports formals or social events.

13. Political Policy

No entity may use SGA-provided funds to promote any candidate(s) for any election except where provided for by the rights of free press. Entities may promote candidate awareness by providing unbiased information on each candidate or promoting every candidate equally. However, all budget requests should align with Stevens's Policy on Political Activities.

14. Giveaway Policy

Under no circumstances may Club Sports purchase items for giveaways.

15. Minimum Dues:

Each player on a club sports team must contribute at least \$100 per season towards the finances of the club sports team. SGA funds will only be provided after the \$100 dues per member are accounted for. Club sports may only charge less than \$100 for dues if the club sport is not receiving any SGA funding in a given season.

16. Outside Funding

After minimum dues and SGA funding, Club Sports must cover their remaining finances by raising dues or fundraising.

17. Graduate Students

SGA funds may not subsidize the cost of a graduate student competing on a club sports team. Each graduate student must pay an amount equal to the SGA subsidization per person for the club sports budget. Should a graduate student need financial support in joining a club sports team, they should contact the Director of Graduate Student Life.

18. Ratio of SGA Funding/Dues

SGA funding shall cover at most 65% of the total budget for a club sport in any given semester.

19. Line Item Funding

Each expense for a club sport must fall within one of the following expense categories. Each category shall have a different maximum funded amount by the Student Government Association. Club sports must itemize their budget and describe which category a given

expense falls underneath. The SGA does not guarantee that every line item will be funded to its maximum amount. At their discretion, the SGA may increase funding to above the maximum percentage amount for expenses associated with post-season play. A club sport may not fund an item outside of these categories.

A. Coaches

The SGA shall pay up to 50% of the cost of coaches.

B. Transportation

The SGA shall pay for up to 75% of the cost associated with transportation.

C. EMT and Trainers

The SGA shall pay up to 100% of the EMT, trainers, and other expenses.

D. Equipment Policy

The SGA shall pay up to 40% of the team's equipment and training materials costs. Individuals are required to purchase 100% of their equipment.

E. Uniforms

The SGA shall pay up to 0% of the cost of uniforms. This includes the purchase and upkeep of uniforms.

F. League Dues

Club Sports are responsible for funding all league dues.

G. Training Locations

If a club is required to practice outside the Stevens campus, the SGA shall pay for up to 50% of the costs of using an off-campus practice location.

H. Individual Tournament Fees

The SGA shall pay up to 80% of the costs of registering for an individual tournament or competition. This category shall also include the cost of referees.

I. Promotional Materials

Allocations for promotional items may be requested with a cap of \$100 per semester. No items may be given away at the Accepted Students Weekend club fair. Promotional items may include banners, t-shirts, stickers, etc.

J. Competition Refreshment Funding

The SGA will fund \$8 per player per competition or tournament day. Any additional expenses for food must originate from other sources, such as dues, fundraising money, or out-of-pocket funds.

K. Housing

The SGA will not subsidize hotels and other housing expenses associated with club sports Tournaments.

L. Post-Season

Post-season funding will be handled case-by-case through Additional Funding Requests (AFRs). Such requests will be minimal and require approval by the Director of Campus Recreation and the Vice President of Finance before being heard by the budget committee, which may or may not approve the request.
