

Oversight Committee Guidelines

Mission Statement:

The purpose of the Oversight Committee on the SGA shall be:

- Above all else, to adhere to the Constitution and Bylaws of the SGA, specifically that which is stated by Article IV of the SGA Constitution and Article IV, Section 4.1 of the SGA Bylaws.
- To be accountable for the oversight of Senators and the adherence of their requirements as per the annually ratified SGA Oversight Committee
- To work with the Speaker and Cabinet to ensure that all top-down initiatives are received by and relayed to the entirety of the Senate.
- All members shall have the responsibility to bring an individual up for impeachment.

Quorum:

Quorum for meetings and to vote shall require $\frac{3}{4}$ of members, including the Chairperson, to be present.

Leadership:

The Oversight Committee will be chaired by the Speaker of the Senate, as is defined by the SGA Constitution, hereafter referred to as the Chairperson. The members of the Oversight Committee shall consist of four members, as defined in the Constitution, elected by the Senate, and approved by the Cabinet. Each member of the Oversight Committee shall accept the duties imposed on his or herself by the Senate by accepting one of the chair positions below, as appointed by the Chairperson. The chair positions of the Oversight Committee and their expected responsibilities are as follows:

- **Chairperson:** Hold a bi-weekly meeting to obtain updates from each Oversight Committee member as well as ensure that they are completing their duties as defined in the latter part of this document. Other responsibilities include using this meeting to relay new initiatives to the Oversight Committee as well as hearing all SGA-related concerns brought forth by the student body.
- **Initiative Accountability Chair:** Maintain Senator initiative tracking document and ensure it is kept current in preparation for meetings of the Oversight Committee. If there are outdated initiatives in the document, they shall contact

the Senator(s) in question before the monthly committee meeting to determine if removal is necessary. They also shall send any communications deemed necessary by the Committee to Senators regarding initiatives.

- **Attendance Accountability Chair:** Monitor the SGA Attendance document and maintain the Committee Attendance document. They shall ensure that the Committee Attendance document has the most current list of senators assigned to each committee. They also shall monitor the SGA calendar, ensuring that all events and meetings are listed
- **Senator Standards Chair:** Ensure that Senators are adhering to all requirements as set forth by the annually ratified Senator Expectations Checklist. This includes, but is not limited to the following:
 - Attend the required number of Leadership Path events, or its equivalent as defined by the Cabinet and Speaker
 - Attend the number of mandatory events as per the Senator Expectation Checklist. This list will be received from the Attendance Accountability Chair at the bi-weekly Oversight Committee meeting
 - Ensure, by communicating with the Vice President of Operations, that each Senator is fulfilling their Committee Requirements
 - Ensure and track that each Senator maintains an updated Ducklink profile as per the Senator Expectation Checklist requires
- **Internal Organization Chair:** Act as secretary and take minutes of each meeting of the Oversight Committee, archiving the minutes in the Oversight folder in the SGA Committees Google Drive. Maintain an Oversight Committee Google Drive that holds all documents as mentioned above and below here. Additionally, they shall create a short quiz on the docket and Reporting Drive of the current week, to be taken at the end of the Reporting Drive each week.

Membership:

In order to fulfill requirements of the Oversight Committee (and thus eligible to fulfill the SGA Committee Membership Requirements), a member must:

- Attend all official meetings of the committee with a maximum of 2 absences unless otherwise excused by the Chairperson.

- Adhere to all requirements of their respective position as delineated in the below “Leadership” section of this document.
- Discuss all matters of incidence as brought forth by the Chairperson, Parliamentarian, any member of the Senate, any member of the Cabinet, any Sub-Committee Head, and/or any other position-holder of the SGA.
- Participate in the completion of initiatives as delegated by the Chairperson and perform other tasks that are approved by the Chairperson as required for the membership fulfillment.
- It is the individual responsibility of each representative to uphold the standards of the senators. Each chair should only be responsible for tracking as well as holding every Senator responsible through open communication.
